

GRADAM NA NÓG

2018 is designated as Bliain na nÓg. This is an opportunity to highlight and acknowledge the contribution of young people to Comhaltas, Irish culture and community service.

This can be achieved through celebratory activities and new initiatives in Branches, County Boards, Provincial Councils and at national level, also at Fleadhanna, Cultural Centres, etc.

A special medallion and certificate are available to honour some young people who have given exceptional service. Recipients can be from Comhaltas, also in the broader community. Attributes can include culture, community, sport, charity, etc.

Up to three medallions/certificates will be available to each sponsoring unit.

Please send a short synopsis of the nominee's achievements/service with contact details for the nominating unit to:
